CITY SC SAN MARCOS is...

North County's fastest growing soccer program. We are a locally managed program that puts the best interest of the children first.

We strive to grow our programs by providing an array of levels, from our TOPS program, to recreation, to our competitive program.

Our Goal is to provide the soccer program of choice for the families of San Marcos and our local communities. And, we promote:

- Fair Play, Good Sportsmanship and Positive Attitudes in all players, coaches and fans
- Team Play over Individual Play
- Team Spirit, Loyalty and Continuity
- Family Friendly Values

We believe that players become better by playing and not by sitting on the bench. We welcome all players to our programs, and we are looking forward to seeing your player enjoy the game of soccer.

In addition to promoting your business in the community, your Generous Donations help us to:

- Provide a quality athletic opportunity for the youth of North County
- Purchase necessary equipment
- Keep registration fees low
- Offer financial aid to players in need
